

**ArtCenter**  
**The Bruce Heavin and Lynda Weinman Alumni Center**  
**FACT SHEET**

**Location:** 1111 S. Arroyo Parkway  
Pasadena, CA 91105

**Built:** August-October 2018

**Start Date:** January 2018

**Completion Date:** October 26, 2018

**Project Size:** 5,000 s.f.

**Project Type:** Academic Alumni Center

**Structure:** Forth level of six story mid-rise building built in the 1980's

**Function / Features:** The Bruce Heavin and Lynda Weinman Alumni Center is designed to span across the middle of the fourth level of ArtCenter's 1111 South Arroyo parkway building. Situated between views of the city to the east and views of the evolving south campus to the west the new center features a dedicated alumni gallery, conference center and lounge. The spaces, physically and visually connected to the elevator lobby, are flexibly designed to accommodate multiple types of alumni events. The center itself locates each Alum within the campus and within their larger network of peers.

In the Alumni Gallery space a 25' x 8' digital touch screen is programmed to contain a virtual alumni gallery encompassing work of distinguished Alumni through the decades and around the globe. The glass curtain wall that separates the conference center and lounge from the elevator lobby has a translucent color screened film with the Alumni Center signage and the iconic ArtCenter 'dot'.

**Mural Artist:** Darin Johnstone Architects

**Screen Installation:** Architectural Concept: Darin Johnstone Architects.  
Content Curation: ArtCenter College of Design  
Interaction Design and Technology Integration: Downstream  
Installation: MTEK
