In Spring 2022 the Title IX Office issued a Sexual Assault Campus Climate Survey. The survey asked respondents about their perceptions of their overall campus’ climate, their perceptions of how their institution responds to sexual assaults, and whether they have experienced unwanted sexual contact or sexual assault.

204 ArtCenter Students Participated

I believe that students at ArtCenter College of Design would intervene if they witnessed a sexual assault.

Campus officials would take the report seriously

Campus officials would conduct a careful investigation in order to determine what happened.

"I feel safe and secure at ArtCenter. The culture here is very focused on safety. While it can be nerve racking to say the wrong thing sometimes, it is also very comforting to know that there is a policy in place to protect me and others."
