Income-Based Graduation Rates (based on US News and World Report template)

In the following section, please disaggregate the fall 2007 cohort (Fall 2007 first-time, full-time, degree seeking freshmen, as defined by IPEDS) into three groups:

- Students who received a Federal Pell Grant
- Recipients of a subsidized Stafford Loan who did not receive a Pell Grant
- Students who did not receive either a Pell Grant or a subsidized Stafford Loan

Students who received both a Pell Grant and a subsidized Stafford Loan should be reported in the "Recipients of a Federal Pell Grant" column.

For the two graduation rate grids, the sum of the three columns in each line of the income-based grid (84 - 91) should equal the figure in the corresponding grid above (76 - 83).
